

Mission Hospital RN New Grad Program

The RN New Grad Program provides recent graduate registered nurses with a comprehensive classroom and clinical orientation to nursing at Mission Hospital.

- Eight weeks minimum with up to 12 weeks for specialty areas, tailored to individualized needs
 - New Grad Skills Days to gain proficiency
 - Support team (preceptor, clinical educator and nurse manager) provides guidance on hospital policy and procedure interpretations, clinical skill development and unit/values based organization integration
 - Tuition reimbursement up to \$5000 per year available at six months of employment toward BSN/MSN completion through our Nursing Career Advancement Program
 - On site BSN program through California State University, Fullerton
 - Free educational opportunities to enhance professional growth
 - Clinical ladder to promote, recognize and reward clinical excellence
 - Evidence-based practices utilized on clinical units
- New grads hired (dependent upon available positions) into most nursing units including some specialty units

**2012 Sessions:
January 23, 2012 (closed)**

July 23, 2012

The number of positions depends upon current department openings at that time. Positions will be posted approx. 2 months prior to start of session. You may view opportunities and apply online at mission4health.com. Click on the employment link. Look for "RN I – New Grad."
